As an employee of our company enjoying your work and making valuable contributions to business are equally vital. The health, satisfaction and security of you and your family are important, not only to your well-being, but ultimately, in terms of achieving the goals of our organization.

For the 2024 plan year, we have worked hard to offer a competitive total rewards package that includes valuable and competitive benefits plans. These programs reflect our commitment to keeping our staff healthy and secure. We understand that your situation is unique, and we are offering an overall benefits package that can be shaped and molded by you to fit your needs.

This benefits booklet is a summary description of your benefit plans. If there is a discrepancy between these summaries and the written legal plan documents, the plan documents shall prevail. This booklet and plan summaries do not constitute a contract of employment.

We hope this benefits booklet, along with our additional communication and decision-making tools, will help you make the best health care choices for you and your family.

Should you have any questions, please contact our broker, OHM Benefit & Insurance Solutions at 1-877-650-0808.

This booklet provides only a summary of your benefits. All services described within are subject to the definitions, limitations and exclusions set forth in each insurance carrier's or provider's contract.
